

St Mary's Church, Cogges

Annual Parochial Church Meeting, 23rd February 2017

Connect groups

17 groups

My guess is we have about 70% of the church in connect groups

6 new groups have launched or relaunched 2017

One of these new groups has provided a front door and a place of belonging for those who would find other connect groups too challenging or overwhelming.

Another is extending the reach to young mums.

Connect leaders meeting – Healthy groups reflect the life of Jesus: Up In Out

Healthy – these fruitful plants to multiply out to expand the access

Vision for Extensions with new front doors

Rich White
